**GENERAL:**

**The application must be filled out completely and automatically. Handwritten applications will not be processed.**

A copy of the front and back of the identity card must be enclosed with applications. For applicants who only have a passport, a registration certificate (not older than 30 days) is required in addition to the passport copy. The identity document must still be valid for at least 3 months. For persons who are not citizens of an EU member state, a copy of the residence permit and a certified proof of impunity from the country of origin to be submitted with the application. Proof of impunity must be provided with a certified German or an English translation. Please note that the initial application for an airport ID card with a background check must be submitted 6 weeks before starting work to the ID card office at the airport Karlsruhe/Baden-Baden.

In the case of extension applications for persons who are already entitled to access, there is apply again a application 3 months before the validity of the background check expires. The airport ID card, background checks and aviation security trainings are subject to fees and charges. The current fees of the airport Karlsruhe/Baden-Baden can be found on the Homepage.

**DECLARATION „A“ BY THE APPLICANT COMPANY / GENERAL AVIATION (GA) ASSURES THAT:**

The information was made truthfully.

The details of the applicant are complete and correspond to the specified personal document and the person is intended for a job in the company.

Any necessary work and residence permit for the applicant is available.

The airport ID card is necessary to fulfill the official duties.

The costs for processing the application, issuing the airport ID card and a fee for aviation security training in accordance with the Training Ordinance (LuftSiSchulV) of the German Luftsicherheitsgesetz §7 paragraphs 2 and 3 will be taken.

The costs for the background check of the §7 Luftsicherheitsgesetz by the Regierungspräsidium Stuttgart will be taken.

The applicant - **before picking up** - conducts the aviation security training in accordance with the training ordinance and presents the acquired certificate to the ID office.

The Airport ID office will be notified if the employment relationship with the ID card holder expires, there is no longer any employment at the airport or if there are no other requirements for possession of this ID card. The proper return of the ID takes place.

Violations are punished by the police as an administrative offense.

Any costs incurred due to changes in the airport ID or its layout, which are imposed on the airport operator by aviation security authorities, can be charged to the applicant.

The signature provider is authorized to sign for the company mentioned overleaf (managing director, procurator, GA, authorized representative).

<input type="checkbox"/> in case of an already existing contractual relationship it's hereby confirmed that the applicant is uninterrupted	We understand and accept the Statement „A“ overleaf. Date and signature of a person authorized to sign in name of company or GA.
since: <input style="width: 100px;" type="text"/> is active in the company.	<input style="width: 100px;" type="text"/>
